

Alameda County Health Care for the Homeless  
Weekly Homeless Provider COVID-19 Community Call  
**Wednesday, November 9, 2022**  
**10:30am-11:00am**

**63 Participants & Following Programs Represented:**

HEPPAC, City of Union City, Tri-Valley Haven, CAL-PEP, Second Chance, South Hayward Parish, AHS, HAC, HCEB, Healthy Black Families, Operation Dignity, City of Alameda, Family Bridges, Abode Services, Dorothy Day House, St. Mary's Center, WORLD, City of Fremont, City of Berkeley, GCEA, Manna from Heaven, Tiburcio Vasquez

1. **Introduction:** This is the weekly homeless provider community call hosted by the Alameda County Health Care for the Homeless program. Calls will be **every Wednesday at 10:30am-11:30am on Zoom** (except for the fourth Wednesday of the month when we have our monthly trainings).
  - The purpose of this call is to bring together countywide shelter and outreach providers to share updates, knowledge, practices, build supportive community, and develop effective responses to protect our health and the health of the persons living in our sheltered and unsheltered environments.
  - If you have specific issues or challenges with individuals who may be symptomatic, infected, or at-risk of COVID-19, email [achch@acgov.org](mailto:achch@acgov.org) with details so we can follow up.

2. **Situation Report:**

**ACHCH & Alameda County COVID-19 Stats:**

- Countywide totals as of 11/09/2022: Cases: 353,718; Deaths: 2,050
- **ACHCH:** Active Outbreaks: 5 shelter sites; 0 street sites
- **Testing:** Check [Alameda County Public Health website](#) for testing sites; reach out to [achch@acgov.org](mailto:achch@acgov.org) for test kit supplies
- [MyTurn](#) for COVID-19 vaccination information and to register
- **Vaccinations:** call (510) 208-4VAX; No documentation or identification is needed; people can self-verify (self-attest) address and in identifying themselves.
- **Treatment:** <https://www.achch.org/covid-19-treatment.html>
- **Boosters:** Visit our [website](#) for vaccine guidance and resources including new [Bivalent Booster Information Sheet](#).

  - [COVID-19 Vaccine Booster Q&A](#)
- Visit [East Bay Getting to Zero](#) for weekly updates/information on HIV and COVID

**David Modersbach, ACHCH**

- ACHCH is providing COVID-19 test kits and KN95 masks. Please contact us at [achch@acgov.org](mailto:achch@acgov.org) for more information.
- ACHCH is providing flu and Bivalent vaccines at shelters.
- Please continue to refer people to the isolation and quarantine hotels.
- In 2023, we will be reducing the weekly update call to a monthly call.

- **ACHCH BAAQMD portable HEPA air filter distribution:** Please identify one lead (person) from each homeless housing/service facility and submit this [form](https://forms.office.com/g/pcVaL7HhAP) (<https://forms.office.com/g/pcVaL7HhAP>) .
- Monthly training on November 16<sup>th</sup>: Bed Bugs and Other Blood-Feeding Vectors
- No weekly call on November 23<sup>rd</sup>; next call is November 30<sup>th</sup>.

#### Mini Swift, AHS

- We have 5 COVID-19 patients; 10 patients in post-acute facilities.
- Providing primary vaccines and boosters; seeing 30 people per day for vaccinations.
- AHS has clinic for community members (not AHS patients) to receive Pfizer COVID-19 vaccinations; seeing 20-40 people per day.

### 3. Resources:

- Check [Alameda County Public Health website](#) for testing sites, treatment information, etc.
- [MyTurn](#) for COVID-19 vaccination information and to register
- Vaccinations: call (510) 208-4VAX; No documentation or identification is needed; people can self-verify (self-attest) address and in identifying themselves. Visit our [website](#) for vaccine guidance and resources
- [CDC COVID-19 Vaccine Booster Shots](#)

  - [Vaccine Guidance & Resources](#)
  - [Vaccine FAQs](#)
  - [COVID-19 Vaccine Booster Q&A](#)
- Frontline Workers Counseling Project; [fwcp.org](http://fwcp.org)
- All of our COVID test kits distributed have had their expiration dates extended by the FDA. Please check this site to confirm any expiration dates: <https://www.fda.gov/medical-devices/coronavirus-covid-19-and-medical-devices/home-otc-covid-19-diagnostic-tests#list>
- Cooling centers can be found on our [website](#).
- Air quality resources can be found on our [website](#).
- Water distribution: [Outreach Providers](#), please contact David Modersbach ([david.modersbach@acgov.org](mailto:david.modersbach@acgov.org)) if you'd like to pick up water to distribute.
- [COVID-19 Treatment website](#)
- Order at-home COVID-19 test from the government at [www.covidtests.gov](http://www.covidtests.gov).
- Sign up with State of California to access COVID-19 rapid at-home test kits at [labsupport.powerappsportals.us/ihealthorder/](https://labsupport.powerappsportals.us/ihealthorder/)
- Congregate living facilities such as homeless shelters, residential treatment facilities, transitional housing facilities, room and board, group homes, and residential congregate living for youth must report the following to Alameda County Public Health Department per local reporting thresholds:
  - ≥1 COVID-19 cases within a 14-day period in residents and/or staff
  - [How to Report](#): Email [covidob@acgov.org](mailto:covidob@acgov.org) and follow [the Step-by-Step Instructions for Controlling the Outbreak at the Facility](#). In the email, include the name and contact information of the reporter, facility name, number of employees or residents involved, and a brief description. **DO NOT** include the names, date of birth, or any other protected health information of any persons diagnosed with or exposed to COVID-19.
  - Then, complete the [Shared Portal for Outbreak Tracking \(SPOT\) Intake Form](#).
  - This info can also be found on our website: <https://covid-19.acgov.org/reporting-requirements#congregate>.
- Emphasizing the need for close symptom screening of staff and carrying out full symptoms/contacts checks daily. Please review the [ACHCH Shelter Health Guidance](#).

- SICK staff need to stay home! If staff are not feeling well, they need to call out sick or leave immediately.
- Recommendation to shelter and outreach staff regarding N95 masks: If your site is undergoing an outbreak or suspected outbreak ACHCH advises to double-mask with a cloth and surgical mask or wear N95/KN95 masks.
- Quarantine Update from Alameda County Public Health: If a staff member or resident has tested positive on Day 5, they may choose to test daily after Day 5 and may leave isolation once they receive a negative test.
- *“For the safety of staff and shelter guests, we continue to recommend reduced occupancy and physical distancing. Distancing is a recommendation, but not a mandate and providers may, at their discretion, decide on measures appropriate to their specific sites.” ~Dr. Moss, ACPHD*
- What is a Positive Case?  
A frequent source of confusion is how we know if someone has COVID-19, and when they are safe to return to the site or return to work. The guidance has been very confusing. We suggest people think of it in these simple terms:
  - A positive test OR symptoms should be treated as a positive COVID case.
  - A positive rapid test is almost certain to be correct. But a negative rapid test may not be. That's why we consider symptoms to be the same as a positive test.
  - 10 days after symptoms start OR 10 days after your first positive test, you are no longer contagious. It does not matter what your test results say after 10 days - you are not contagious anymore.
  - The most common symptoms of COVID-19 are fever, cough, tiredness. Other signs are sore throat, diarrhea, breathing problems, eye problems, headache, loss of taste or smell, rash. If someone newly has any of these symptoms, consider them to have COVID-19. You do not need to administer a rapid test, and it may give you a false sense of safety to do so.
  - Well-fitting masks and vaccination are still the best protection we have against this virus. Masks must be worn at all times indoors by residents and staff unless sleeping or eating. During outbreaks and surges, we recommend N95 masks be worn by all residents and staff while indoors. Masks save lives. Reach out if we can help with access to good quality masks.
