
APPROVED HOME FURNISHINGS AND HOUSEHOLD ITEM VENDORS

Below you will find a list of approved online vendors that can be utilized to fulfill home furnishing and household item requests. Applicants may choose items from up to two different vendors from this list.

Please keep in mind that costs must account for taxes and shipping. HCSA will not be able to process requests that exceed the total requested amount with taxes and shipping added. Taxes may vary based on location of the vendor and where items are shipped.

Once the applicant chooses the vendors, the service provider should assist the applicant to create a list of the items they want utilizing the corresponding instructions for requesting home furnishings and household items procedures.

There are different written instructions for each of the vendors.

Approved Home Furnishings and Household Item Vendors:

- Target
- Amazon
